

Hello

The following information relates specifically to the Loxton round of the Pedal Prix series.

When: Sunday 5th May 2019

Where: Bookpurnong Tce, Loxton SA (see Course map)

Time: The race runs from 10.00am – 4.00pm

All riders are expected to be in our pits by 8.30am at the latest and stay after the race until the team pit area has been packed (usually 4.30pm).

However, we'll be setting up the pit area from 7.30am so all help at that time will be appreciated.

A team meeting will be held in our pit area at 9.00am and all riders plus at least one parent/guardian are expected to attend.

Parking: Either throughout the adjacent streets of Loxton or at the Loxton football ground (enter off Bookpurnong Tce).

Catering: Water for the riders will be provided.

Riders and families must provide their own catering throughout the day (all shops in Loxton will be open).

Ride times: Each rider can expect to complete at least 2 rides of approximately 15mins throughout the race.

However, as we have practiced, each rider and their parent/guardian will also be required to perform pit crew duties before and after their assigned ride time.

A full ride (and pit crew) roster will be available on the day.

Marshalling: We've been allocated a 2hr slot for marshalling so Mark Williams will communicate a marshal roster shortly.
